DADDY, IF YOU ONLY KNEW by Steve and Lennette Deal

December 18, 2009 – 5 FOLD MEDIA RELEASES *DADDY, IF YOU ONLY KNEW*, WHICH BRINGS INTO PERSPECTIVE THE TRUTH OF THE WORD REGARDING THE ROLE OF THE FATHER BY ALLOWING THE VOICES OF THE CHILDREN TO BE HEARD.

DADDY IF YOU ONLY KNEW is a 12-chapter reality book written by actual children to their fathers—uncut, unedited, and very real. It is designed to speak directly from the Father heart of God to a wounded father/child relationship or lack thereof. Abe Brown, Founder/Owner of Abe Brown Ministries states “You will experience, from the pens of these children, their pain and the longing to be loved, nurtured, and taught by their fathers.” www.abebrown.org

DADDY IF YOU ONLY KNEW, by Steve and Lennette Deal has been birthed over many years of listening to the cry of the children, both young and old, for we all are someone's child. If a father has missed his God-given role it will affect every area of an individual's life and everyone that comes in contact with them will be impacted by that very fact. This exclusive reading will permeate your heart and will help you begin to relate with people in your life whom you may not understand.
